BRASOV

Nice to meet you again! Are you back for more? Here's our selection for this week. We bring forth insights, relevant data, creative boosters and fresh thoughts regarding the FOW dynamics and cultures.

**For this 2nd edition, we made it inspiring, still relaxing.**  
**Corporate wellness has never been more needed.**

### Enter CWO

The shifting nature of organisations is creating the next C-suite role that will emerge: The Chief Purpose Officer. Currently, these responsibilities are widely diffused across HR, legal, communications, and other roles in the organisation. In 2022, these will be consolidated into this new role.

### Inspiration on-the-go

Adam Grant takes you inside the minds of some of the world's most unusual professionals to explore the science of making work not suck. From learning how to love criticism to harnessing the power of frustration, you'll never see your job the same way again. One of Apple Podcasts' most downloaded new podcasts: [WorkLife](#).

### Global pilot study

Introducing the newest innovative initiative related to the field of FOW: 4dayweek.com, a massive study joined by a group of companies which are piloting the 4 Day Week in several countries. This is definitely a movement, not only a moment. If you are a company or organisation ready to join in, check them out [here](#).

### Mental fitness app

Mental health challenges are now the norm among employees. 76% reported at least one symptom of a mental health condition in the past year, up from 59% in 2019. (HBR.org study)  
[WonderMind.com](#) is a mental fitness app presented through content and specific tools, as daily commitments.

### Want to (re)connect your team to the beautiful Romania?

Far from us to do a self-promo section. But our Districts are active places of co-creation and collaboration because we work with companies and organisations like you, from all over Romania. This is the first time we introduce you to our Work Retreat Districts. Currently, we are accelerating the developing of our network with more than 15 Districts throughout Romania, in strategic tech areas, close to spectacular touristic spots ready to be rediscovered. Our active centres are now located in Piatra Neamţ and Braşov. If you want to reconnect to the plentiful, nature infused, vibrant Romania, give us a message and we will explore the possibilities.
